

SIGNS BILL ... Governor Ronald Reagan hands a copy of Assembly Bill 178 to Assemblyman Robert G. Beverly (R-46th District) and Jim Walker, legislative representative for the State Marshals Association. The measure, authored by Beverly, allows the marshals of the Municipal Court to take sole custody of prisoners in the courtroom, thus releasing a deputy sheriff for other duty. It is estimated the bill will result in a \$400,000 savings annually in Los Angeles County. Both Beverly and Walker are Manhattan Beach residents.
